and

Eastern Michigan University

College of Education

Department of Teacher Education

Bachelor of Science in Secondary Education

September 2011

ARTICULATION AGREEMENT RENEWAL BETWEEN
Washtenaw Community College
Associate in Arts in Secondary Education
and
Eastern Michigan University
Bachelor of Science in Secondary Education

Article I
Agreement on Principle

Eastern Michigan University (EMU) and Washtenaw Community College (WCC) agree that students who choose to begin their studies at WCC and transfer to EMU to earn a bachelor's degree, should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, Eastern Michigan University and Washtenaw Community College agree to enter into this articulation agreement for students who want to complete the Secondary Education program at WCC and transfer to EMU to earn a Bachelor of Science in Secondary Education. Both institutions enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II
Agreement on Program Specifics

Eastern Michigan University and Washtenaw Community College agree that any student who has satisfied the minimum requirements outlined in the attached articulation guide may transfer the course credits indicated in the guide toward a Bachelor of Science in Secondary Education at Eastern Michigan University. Under this agreement, MACRAO provisos may be completed at the most appropriate time for the student whether before or after admission to EMU.

Students using this articulated agreement must apply and be admitted to Eastern Michigan University. WCC students will receive equal consideration with other students seeking admission and financial aid. The bachelor's degree graduation requirements for students who follow this articulated program agreement are included on the attached articulation guide.

Article III
Agreement on Communication

Washtenaw Community College and Eastern Michigan University agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students. EMU will provide transfer student performance data to WCC officials annually through the Community College Transfer Student Report.

Article IV
Maintenance and Review Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Dean of the Math, Natural, and Behavioral Science Division at Washtenaw Community College and the Director of the Department of Teacher Education at Eastern Michigan University. Both parties agree to communicate annually any changes in their respective programs that may affect this articulation agreement.

This agreement is effective from **September 1, 2011 until August 31, 2014.**

This is a renewal of an agreement made in April 2003 and renewed in September 2007. Students who began this program prior to the new effective date are encouraged to change to this guide, however, they may continue to follow the guide they are currently using. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement.

**ARTICULATION AGREEMENT RENEWAL BETWEEN
Washtenaw Community College and Eastern Michigan University
Associate in Arts in Secondary Education
Bachelor of Science in Secondary Education**

Washtenaw Community College and Eastern Michigan University agree to the terms of this agreement, which will be retroactive to September 1, 2011 and in effect until August 31, 2014.

ALERT!

Students who begin college in September 2014 must follow the Michigan Transfer Agreement (MTA) requirements rather than the MACRAO requirements listed here. New MTA articulation guides will be posted to the EMU Community College Relations website soon. In the meantime, please see a community college counselor for more information about the MTA or look for more information at <http://www.macrao.org/mcm.asp?floor=4>

ARTICULATION GUIDE**

September 2011

**Washtenaw Community College – Associate in Arts in Secondary Education
Eastern Michigan University – Bachelor of Science in Secondary Education**

Completion of Secondary Education Program at EMU

First Semester at EMU

Students with a community college GPA of 3.0 or higher, who have completed at least 56 transferable credits and have passed the Professional Readiness Examination may apply for admission to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major.

Remaining Major/minor Requirements (36-60 credits)

Students must complete an approved major and (certain teaching majors excepted) minor. Credit hours are approximate and will vary depending on the major and minor chosen and the number of major and minor courses completed at the community college.

Major/minor courses 24-47

For information on approved secondary education majors and minors go to:

<http://www.emich.edu/coe/students/undergraduate/types/secondary.html>

Professional Studies (33 credits)

Phases I & II Courses (19 credits)

CURR 305	Curriculum & Methods: Secondary	3
EDMT 330	Instructional Applic Media & Tech.....	3
EDPS 340	Intro to Assessment & Evaluation	3
PRCT 305	Practicum I: Secondary.....	3
SOFD 328W	Schools in Multicultural Society.....	3
PRCT 311	Practicum II: Secondary.....	3
RDNG 311	Teaching Reading in Secondary School.....	3
	Specialized Methods of Teaching course in subject area.....	3

Phase III Capstone Experience (12 Credits)

¹ EDUC 492	Student Teaching.....	9
-----------------------	-----------------------	---

Credits at EMU:69-93

NOTE: Credits are approximate. Credits at EMU and total credits will vary depending on major and minor as well as specific courses selected.

Approximate Credits to Graduate: 128-151

¹ Satisfies EMU's Learning beyond the Classroom requirement.

WCC Courses That Transfer for Secondary Education Majors and Minors

These courses may be used to satisfy electives in WCC's Secondary Education program. Although all of the courses listed below will transfer to EMU, students should select carefully so that they will be able to meet the minimum requirements at EMU. A minimum of 60 credits toward the program total must be completed at the four-year college level; and at least 9 hours in a major and 6 hours in a minor, both at the 300/400 level, must be completed at EMU. Majors include a minimum of 30 credits and minors a minimum of 20 credits. For information on secondary education majors/minors go to: <http://www.emich.edu/coe/students/undergraduate/types/secondary.html>

EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

September 2011

Washtenaw Community College – Associate in Arts in Secondary Education Eastern Michigan University – Bachelor of Science in Secondary Education

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisers (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an * are required for EMU's Bachelor of Business Administration Program.
2. Students whose transcripts are endorsed as "MACRAO Satisfied" will only be required to meet EMU's three general education requirements, noted on the articulation guide and listed below. These requirements may be completed at the most appropriate time for the student, whether before or after enrollment at EMU:
 - a) An approved course in Quantitative Reasoning: [at WCC: MATH 125,160,176,180,181, 182,191] or [at EMU: MATH 110; or if intermediate algebra has been completed with a "C" or higher, MATH 105, 118, 120, 170, COSC 106, PHIL 181, PLSC 210, SOCL 250, or STS 224]
 - b) An approved course in Perspectives on a Diverse World: [at WCC: Humanities: ART 143, 150; COM 225; DAN 180; ENG 181, 213, 214, 224, 242, 281; HUM 145, 150, 175; Social Science: ANT 201; ECO 280; GEO 101; HST 123, 150, 230, 235, 240, 270; PLS 211; PSY 107; SOC 205]
 - c) One Learning Beyond the Classroom course or experience offered by EMU: [EDUC 492 at EMU]

To use MACRAO, students must request that an official community college transcript, with the "MACRAO Satisfied" stamp, be sent to EMU's Admissions Office. Students, who do not have "MACRAO Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.
3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
4. A minimum of 60 semester hours must be completed at the four-year college/university level. At least 9 hours in the major and 6 hours in the minor at the 300- level or above must be completed at EMU. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
5. Students with a community college grade point average (GPA) of 3.0 or higher, who have completed at least 56 transferable credits, and have passed the Professional Readiness Examination may apply directly to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an EMU (GPA) of 2.5 and a GPA of 2.5 in the major. Other admission criteria include: satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
6. Students are encouraged to attend an EMU Secondary Education group advising session before completing an admission application to EMU. To facilitate the evaluation of transcripts, students should include a copy of this articulation guide in their application for admission and bring a copy of the articulation guide to the group advising session and all individual advising sessions at EMU.

Effective Dates: September 1, 2011 until August 31, 2014.

This is a renewal of an agreement made in April 2003 and renewed in September 2007. Students who began this program prior to the new effective date are encouraged to change to this guide. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement.
