

Your financial aid application was selected for a process called "verification." During this process WCC will be comparing information from your aid application with signed copies of your 2008 Federal tax forms (and your spouse's if you are married). The law says WCC has the right to ask you for this information before we can award you financial aid (CFR Title 34, Part 668). If there are differences between your application and your financial documents, WCC may need to make corrections to your Student Aid Report.

Please complete the verification process as soon as possible to avoid delays in your financial aid award notification.
